Study Sheet for Irregular Words

Directions:

1. Trace each word three times. Say the word before tracing. Name each letter before you trace it.
2. Copy the word in the next column. Say the word before writing. Name each letter before you write it.
3. Turn paper over. Spell word three times aloud. Say the word before spelling.
4. Fold the paper on the dotted line so the two columns can not be seen.
5. Write the word from memory in the last column.
6. Check. Correct mistakes.
7. Do the next word.
